

Dear Friend,

Thank you for your interest in the Miracle Valley Ranch. I trust that this packet will answer your questions regarding our program.

Our mission is to train and empower men and women to live victorious Christian lives, enabling them to have permanent victory from any and all habitually crippling sins. Let me say this, our program is hard, and we are very serious about this ministry. However, if you are serious about changing your life for the glory of God and willing to learn to let God do the work, we can help you. The only permanent change is character change; and character change takes the wonderful grace of God. God has all the answers you're looking for and if you'll allow us we will help you find those answers through customized and intense biblical counseling.

In order to be considered for enrollment, you must follow each of these steps in their entirety:

1. Read and consider the attached application. Fill out the application neatly and completely.
2. Return the completed application and other requested forms to our office.
3. After allowing time to receive and review your application, call to have a phone conference with our director during regular business hours.

You must personally seek help. No second party requests will be considered unless your Pastor who has dealt with our ministry in the past is referring you. Once again, thank you for your interest in the Miracle Valley Ranch Discipleship Homes. If God leads you to this ministry, we will join with you in a commitment to rebuild a life that has true freedom found only in Jesus Christ!

In His Service,
